# Footnotes

1 Statewide employee bargaining contracts are negotiated with the Administration on a periodic basis. Changes to these agreements impact the Authority's budget and updates to the budget are reflected subsequently at the appropriate reporting time. In some instances, forecast can exceed budget due to timing but will ultimately be trued up once DOF approves the additional funding.

2 The FY2020-21 Administrative Budget includes 85 new state positions (received in Jul-20) as part of a cost-saving workload adjustment that will reduce the reliance on contracted resources, while increasing state oversight of critical functions. The additional positions have been allocated to the following Office's: Program Delivery (55), Information Technology (16), Financial (8), Administrative (5), and Strategic Communications (1).

3 In Dec-20, an Environmental Scientist (including related funding) in the Administrative Office was transferred to the Information Technology Office and reclassed to a Staff Services Manager II (Managerial).
