NICK GOMES: My name is Nick Gomes, I'm the district representative for the Congressman Jim Costa, I want to make myself known that the Congressman is aware of what's going on, and we want to make sure that we are hearing all of the voices of the constituents of the district, and I'm pleased to be here. And if anyone has any questions regarding Congressman's views, I would be happy to do it. I have cards if anybody, would like to talk.
